

Helene Ziebarth - Vocal Arts

SoulSong Workshop

„The Healing Power of Singing“

15th - 16th August 2009

Bad Dürkheim

Helene Ziebarth

Classical Singing and vocal teachings following the principle of a holistic approach: Breathing-Voice-Body/ Movement-Soul

Workshop contents

Building up the energy centers and combining them.
Functions of the singer's Body-breathing and building up of the breathing channel. Voice practices and free singing which combine with the energy-breathing channel.

The body-instrument of singing opens fully and leads the singers directly into the core and the soul of singing.

Immense power and sounds, stemming from the connectedness of the soul, can be set free in this fascinating manner.

The original, inner energy, the soul becomes audible.
